**PETITIONING THE COURT**

- ☐ To extend the term of supervision for years, for a total term of years.  
☒ To modify the conditions of supervision as follows:

The defendant's monthly installments of \$273 shall be reduced to \$187 per month which shall begin immediately and continue over the next twenty-four months.

**CAUSE**

The Court ordered the defendant to complete five years of supervised release and pay restitution in the amount of \$13,088.43 in equal monthly installments of \$273 over a period of four years. Blackshear works at a convenience store and earns approximately \$1,000 per month. She receives \$150 per month in child support from her ex-husband and has a poor credit history. She recently had a vehicle repossessed because she could not afford the payments.

The original payment plan would result in Blackshear paying off the balance of restitution a year before she is scheduled to terminate from supervision. However, given Blackshear's financial profile, she would benefit greatly by having her monthly payment schedule reduced. If the Court reduces her payment to \$187 per month, Blackshear would still payoff the balance of restitution by the time she terminates from supervised release.

I have been advised and understand that I am entitled by law to a hearing and assistance of counsel before any unfavorable change may be made in my Conditions of Probation and Supervised Release or my period of supervision being extended. By 'assistance of counsel', I understand that I have the right to be represented at the hearing by counsel of my own choosing if I am able to retain counsel. I also understand that I have the right to request the Court to appoint counsel to represent me at such a hearing at no cost to myself if I am not able to retain counsel of my own choosing.

I hereby voluntarily waive my statutory right to a hearing and to assistance of counsel. I also agree to the following modification of my Conditions of Probation and Supervised Release or to the proposed extension of my term of supervision:

The defendant's monthly installments of \$273 shall be reduced to \$187 per month which shall begin immediately and continue over the next twenty-four months.
